CHURCHLANDS  
SENIOR HIGH SCHOOL

## Important

### What's happened

#### Year 12 Breakfast Club

Nearly one hundred Year 12 students, parents and staff were entertained and inspired by Guest Speaker, Justin Freeman at Rendezvous Hotel Scarborough on Thursday 19 August.

Justin graduated from CSHS in 2004 and has gone on to excel in his chosen career path in the Science area. He is currently a PhD researcher investigating scalable methods of producing large area pristine monolayer 2D materials such as graphene, using liquid phase exfoliation (LPE).

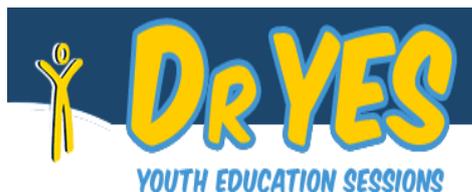

An avid scientist with a passion for physics, chemistry and materials, particularly where these intersect the development of next generation photovoltaic, battery, sensor, composite material and electronics technology.

Justin encouraged students to work hard, be flexible and to be prepared to be challenged outside their comfort zones.

#### Year 9 Dr Yes Presentations

The cohort of Year 9 students attended 'Dr Yes' presentations at school which is part of the Drug Education Program. The sessions are delivered by AMA Medical student leaders to promote open conversations in regards to drug and alcohol use to encourage students to adopt positive health behaviours.

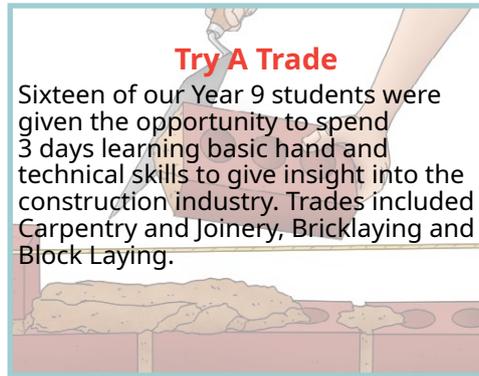

#### House Point Tally

Trigg 19614      Brighton 19161  
Floreat 18447      Scarborough 17678

#### Young writers workshops Fremantle Literature Centre

Budding writers from Years 7-10 have the opportunity to attend the Young Writers Collective at Fremantle Literature Centre one day per term. The aim of the workshops is to nurture skills as young writers and build confidence to share and edit work. Students also get to meet Australia's most talented, creative and inspirational authors of Young Adult Literature.

#### Try A Trade

Sixteen of our Year 9 students were given the opportunity to spend 3 days learning basic hand and technical skills to give insight into the construction industry. Trades included Carpentry and Joinery, Bricklaying and Block Laying.

## Congratulations

to Year 9 Student Alya Hunter who spoke at the WASSEA (WA Secondary School Executives Association) conference on Monday 09 August in the *Student Voice- Future State* presentation. Two Principals took the time to write to the school to report how inspired they were by what Alya had to say and called her an 'inspirational young change maker'. They thanked her for sharing her wisdom with School Leaders.

Well Done Alya!

#### Drivers - take care when driving around the school or picking up/dropping off

This is a friendly reminder to all parents and students who drive to school in the mornings and after school. Please drive SLOWLY and be aware of students walking and crossing the roads.

Speeding motorists and busy roads can negatively impact the well being of student safety.

# FAMILY AND COMMUNITY ENGAGEMENT

Ashleigh Streeter-Jones is part of the team behind the Raise Our Voice in Parliament campaign, an initiative of Raise Our Voice Australia.

Together with partners UNICEF, YWCA Australia, Run for It and Generation Politics, they have invited Federal MPs across the country to commit to reading 90-second speeches written by young people from their electorate in Parliament from 18-21 October 2021 for the inaugural Youth Voice in Parliament week. This nonpartisan initiative endeavours to increase the political literacy of all our young voters and voters-to-be (individuals under the age of 21).

I am contacting you because local MP, Celia Hammond, has signed up to participate in the campaign. The team would love to invite your students to participate in the campaign by submitting a speech.

Speeches should address the prompt

**"What is your vision for Australia in 20 years?"**

and should be roughly around 200 words.

Speeches can be submitted via our website at [www.raiseourvoiceaustralia.com/youthvoice](http://www.raiseourvoiceaustralia.com/youthvoice) - there are a number of FAQs on the website, too.

Speech submissions close on 21 September. The Raise Our Voice Australia team will then create a shortlist which will be passed to the office of the MP, with the MP to choose the final speech.

Should students need some extra support or want to speak to someone from the team as they write their speech, we will be hosting three online drop in sessions at the following dates and times:

Tuesday 31 August 1330-1430

Wednesday 8 September 1700-1800

Thursday 16 September 1600-1700

The links to register are available through our social media channels (Raise Our Voice Australia on Facebook, and @raiseourvoiceaus on Instagram). Once speech submissions close, we will also invite speech submitters to attend a number of online workshops run by organisations working with young people. Workshops will be curated to support young people to increase their knowledge of Australia's political system, and their skills as advocates and change makers.

## Colour for Reconciliation

Action by Jessica Johnson

Action is the story of the land and community sharing the united call for action on reconciliation. Aboriginal and Torres Strait Island peoples have been listening to the heart beat of the land and sea for generations. With their rainbow shaped souls the spirits ask for us to join and make reconciliation more than a word, take action. We all have a role to play.
